The staff wishes to express our sincere appreciation to all those who have helped to make this annual a success. Without the complete co-operation of the faculty and student body, this would have been a difficult task. We have worked hard and we hope that as you look through the pages of this annual it will remind you of a happy and profitable school year 1956 - 1957.

Best wishes,

SUPERINTENDENT'S MESSAGE

I extend my best wishes and hopes for a successful future to the youth of this community. The first step to your future success is your desire and determination to succeed. The scope of your progress is unlimited, the pathway you take on your march through life is for you to choose. The challenge today is for the youth eager to learn and to move ever onward, knowing that withing himself lies the power to achieve success. Set your goal, strive always toward it, never forgetting it is the growth of the individual from within where true success is measured.

FUTURE FARMERS OF AMERICA

The Meeker F.F.A. Chapter held its first meeting of the school year in September, 1956. The officers for the year were elected. In the October Chapter meeting, thirteen freshmen boys were initiated into the Chapter. In November, fourteen of our members received the Chapter Farmer Degree at a Lincoln County F.F.A. meeting held at Davenport. This was the largest number of Chapter Farmer Degrees of any chapter in Lincoln County. Two Meeker F.F.A. members are applying for the Junior Master Farmer Degree, which is the states highest degree.

The Chapter participates in local, district, state and national shows, fairs, contests, and judging events throughout the year.

The boys at the left compose the Meeker F. F. A. Poultry Judging team which won first place at the Lincoln County Poultry Show and placed 4th as a team at the Oklahoma State Poultry Show which is the largest poultry show in the world.

They are: Richard Wilson, Larry DuBoise, Clarence Roberts, Dick Irwin, and Mr. Merrell Dilks, Advisor.

F.H.A ACTIVITIES - 1956-57

The F.H.A. officers were elected at the close of the school last year to guide the chapter activities for 1956-57. They met with the F.H.A. advisor, Mrs. Martha Cotter, and the chapter mothers before school started to make plans for the year's work.

In addition to monthly meetings, the F.H.A. chapter carries out many local, state, and national projects. Some of the activities for the first semester included: a costume party for the freshman pledges; attending the annual Sub-district Rally; formal public installation and initiation services followed by a tea in the homemaking department;the annual F.H.A. - Faculty Basketball Game; taking food baskets to needy families at Thanksgiving; going Christmas caroling with the F.F.A. boys; having a party with the F.F.A. boys; and a Christmas luncheon for the faculty.

Second semester plans call for open house; daddy-date Valentine party; attending the State F.H.A. Rally; celebrating National F.H.A. Week; attending church in a group; having an assembly program; Mother-Daughter Banquet; style show and tea; and a tea for the senior girls, their mothers, and the faculty.

PLOT

A body which didn't seem to stay dead, was found in an old abandoned gunpowder factory, and from there on there was plenty of chilly trouble. Aunty Bess not knowing the old mill was the scène of a knife murder, wanted to buy it and remodel it into a house. This gave her niece, Kate, and her rival boy friends a lot of trouble and detective work. The situation was further complicated with the arrival of the strange Dr.Hooker and three nit-witted girls. The apprehension of the murderer was really something — Kate's choice of a husband ! ! ! Well ! ! ! it was all ABSOLUTELY MURDER.
